The undersigned parent/guardian has understood the content of this application. We undertake to pay all amounts due according to the terms described in the Information folder.

The registration is finalized when the joining fee of 2,000 kroner has been received. This fee is payable immediately after registration. This fee is non-refundable.

On the 1st May prior to the start of the school year a sum of 5,000 kroner is payable, which will be deducted from the school fees. If the application is withdrawn before the school start then a sum of 2,500 kroner will be withheld in lieu of the withdrawal.

If the pupil leaves after the school start you will be due to pay a fee equivalent to 4 weeks parent contribution without the reduction of the state-funded fee. This is irrespective of whether the pupil leaves of their own volition, the home or the school.

There is an extra payment for participants on our 'ski-line' of a total of 11,000 kroner. This has to be paid in two installments the 1st September and again the 1st February.

You will be invited to two information days during the year before starting at the school. These days are obligatory.
