

Cambridge classes at SINE

At Sportsefterskolen Sine we welcome students between the ages of 14-16 onto our Cambridge IGCSE programme. Completion of this course results in a globally recognised certificate which is recognised by leading universities and employers worldwide and is a key step when seeking entry into IB programmes.

We run a learner-centred syllabus, which encourages enquiry-based approaches to learning and creative approaches to problem solving.

Our Cambridge IGCSE programme offers study in 2 different subject areas:

Humanistic course of study:

English as a Second Language
Mathematics
Global Perspectives
History

Natural scientific course of study:

English as a Second Language
Mathematics
Physics
Chemistry

The students must take the exam in all of their chosen subjects.
The fee for Cambridge Exams is 4,000 D.kr.

In addition to our Cambridge IGCSE programme we offer:

IGCSE Cambridge Biology – Fee 1,000 d.kr.

Danish FP10 - or as a foreign language.

French FP10

German – Foreign Language accredited by Goethe-Institut. Exams in this course are internationally recognised and accepted as proof of qualification by many employers and educational establishments. As this course is based on the six levels defined in the Common European Framework of Reference for Languages, the skills you acquire in this course can be measured objectively and are internationally comparable.

The fee for Goethe German is 800 D.kr.

Cambridge Students at Sportsefterskolen SINE have the additional opportunity of traveling to a European English speaking country. The aim is to offer students the opportunity for real life language experience as well as to enhance emerging cultural awareness.

For this trip there will be a personal cost of 4,000 D.kr.
